I'm going to assume we are good with 10am unless Lorena calendars a different time. 10 works for me

10am is great on a permanent basis. You have to ask Roger for CSB. Maybe he wants to do 845am or 1130am...

I was just about to reach out to you to confirm the time. I have the room reserved all morning.

What time do you want the meeting to start? Will that be the permanent on-going time?

Jonathan and Lorena

I am confirming that Sensis agency will attend this meeting and give a short presentation about their ad/marketing efforts for LA Waterfront. With presentation and some discussion, I expect this item to take 30mins.

Does this sound like a good plan?
